ANGELA LIM
SUMISURA

Founded in 2009 by Angela Lim, young design consultancy and interior planning firm SuMisura is devoted to discovering the universe of bespoke. Known for her glamorous, haute couture showflats, made-to-measure furniture and interior spaces, Lim has also been working on interior design projects such as the One Shenton Sky Villa, The Fernhill Collection and penthouses at Hallmark Residences. SuMisura won a Silver at the Hospitality Design Furniture Luxurious Projects Asia Summit & Awards 2013 under the Top Luxury Residential Design category. Its design submissions for the Awards from 2013 to 2016 were also highly commended.

JARROD LIM

JARROD LIM DESIGN; HINIKA; DESIGN AVANT
Jarrod Lim has worked for international design houses, including the studio of Patricia Urquiola in Milan and furniture brand SCP in London. He collaborated with Urquiola and WOHA Architects on the interior design of the recently completed Oasia Hotel Downtown and released the Crystalline collection of tableware for pewter brand Royal Selangor in March 2016.

LIM KOON PARK, CHRISTINA THEAN, TAN PENG GEOK
PARK + ASSOCIATES

The trio leads their architectural practice with an approach that seeks to push the envelope for good design in Singapore. Some of the firm's recent awards include the President's Design Award (Design of the Year) 2015 for the Architect's Office at Kim Yam Road and the Design Award for The Greja House at the 14th SIA Architectural Design Awards.

MOK WEI WEI
W ARCHITECTS

The man behind the Lee Kong Chian Natural History Museum, Mok Wei Wei was a recipient of the President's Design Award (Designer of the Year) in 2007. Prior to this accomplishment, he served as a director at the Urban Redevelopment Authority. He was appointed as a member of the board of the Singapore Land Authority in 2015.

ED ONG

DWELL INTERIOR DESIGN
Creative director and founder of Dwell Interior Design Ed Ong creates bespoke interior designs for private residences and showroom environments. Since the inception of his studio in 2005, it has become a full-service design house, building up an extensive portfolio, with recent projects including bespoke residences at The Coast @ Sentosa Cove, The Marq on Paterson Hill and Leedon Residence.

YUNG ONG

PROOF LIVING GROUP
Yung Ong is executive director of Proof Living, a group of companies including Proof Living, Dream, BoConcept Singapore and Crate and Barrel Singapore. In the last year alone, Ong's notable ventures and milestones included the opening of Black Nut, a gentlemen's club themed bar, being awarded the tender for seating at Changi Airport Terminal 4 and the completion of 12 showflats at Twin Peaks Tower 2.

COLIN SEAH

MINISTRY OF DESIGN (MOD)
Colin Seah, director of design at MOD, has been named Designer of the Year at the International Design Awards (USA) and is a two-time recipient of the President's Design Award (Design of the Year). For Seah and MOD, 2016 is a year of several firsts, including the firm's first Caribbean project, a mixed-use development in Kuala Lumpur and a multi-disciplinary hotel in Beijing set to launch later this year.

TERENCE SEAH
BENOY

Terence Seah is the divisional director-head of Singapore studio at Benoy. Currently spearheading the interior design and retail and aviation facilities planning of one of Singapore's most anticipated projects, Jewel Changi Airport, Seah also works with Singapore developers abroad on projects such as Raffles City in Shenzhen with CapitaLand, helping to bring the distinct Singapore design approach to new cities.

GEORGE BK SOO
FLIQ

George Soo has quickly risen to become one of the sought-after talents on Singapore's design scene. His Next collection for Xtra in 2013 challenged the notion that a workplace had to be sterile and task-oriented. On behalf of SingaPlural, Soo curated a thematic showcase and was featured in the Asian Star Showcase: 20 Rising Furniture Designers at the International Furniture Fair Singapore in 2015.

ONG KER-SHING (RIGHT) AND JOSHUA COMAROFF (LEFT)
LEKKER ARCHITECTS

After studying architecture and landscape at Harvard University, Ong Ker-Shing and Joshua Comaroff began working together as Lekker Design in 2002. Having worked for a range of clients, including Hermès, JTC, Yale University-National University of Singapore and others, the duo—she is director while he is design consultant—received the President's Design Award (Design of the Year) in 2015 for the Caterpillar's Cove childcare centre project in Jurong and was named as one of Maison & Objet's Rising Asian Talents in 2016.
